Description

The subject property is located at the end of a busy retail parade. We have not inspected the property internally but understand it is a mixed use retail and office premises. The building is a former Co-Op building and is in a good condition throughout. It is of traditional construction with brick elevations underneath a pitched slate roof. There is a small car park to the side of the property.

The building comprises a ground floor retail unit, which is occupied by a Drama school which has a lease in place and is currently paying $\pounds500 \text{ pcm}$ ($\pounds6,000 \text{ per annum}$)

The Upper floor is used as an office and the occupier has recently given notice and are due to vacate in the coming months. They are currently paying £600 pcm (£7,200 per annum). We understand this office is well appointed throughout and as the benefit of an onsite car park. There is also plenty of parking close by.

Location

The property is located in a prominent Corner position at Halliwell Road and Harvey Street in the Smithills area of Bolton. It is in close proximity to a number of local amenities, including local retailers and businesses, and it also has the advantage of free on-road parking to the rear of the property.

The property has good transport connections with Bolton Town Centre which is located approximately one mile away. In addition, it is close to the junction where Halliwell Road meets Moss Bank Way A (58). Therefore, providing good connections to the greater Bolton area and ultimately the regional and national motorway network.
